

Life is a path  
along which we must travel.  
Paths may cross  
but no two will be the same.

# THE KNIGHT 1979

Published by The Senior Class of North Andover High School

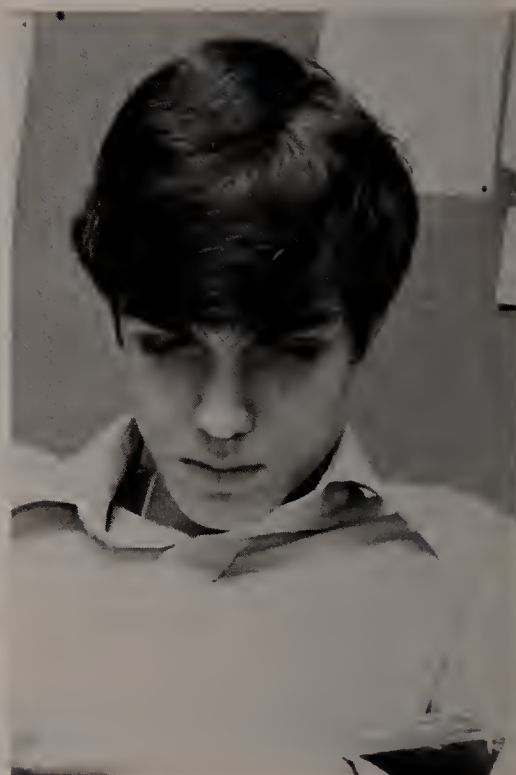

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference.  
Robert Frost

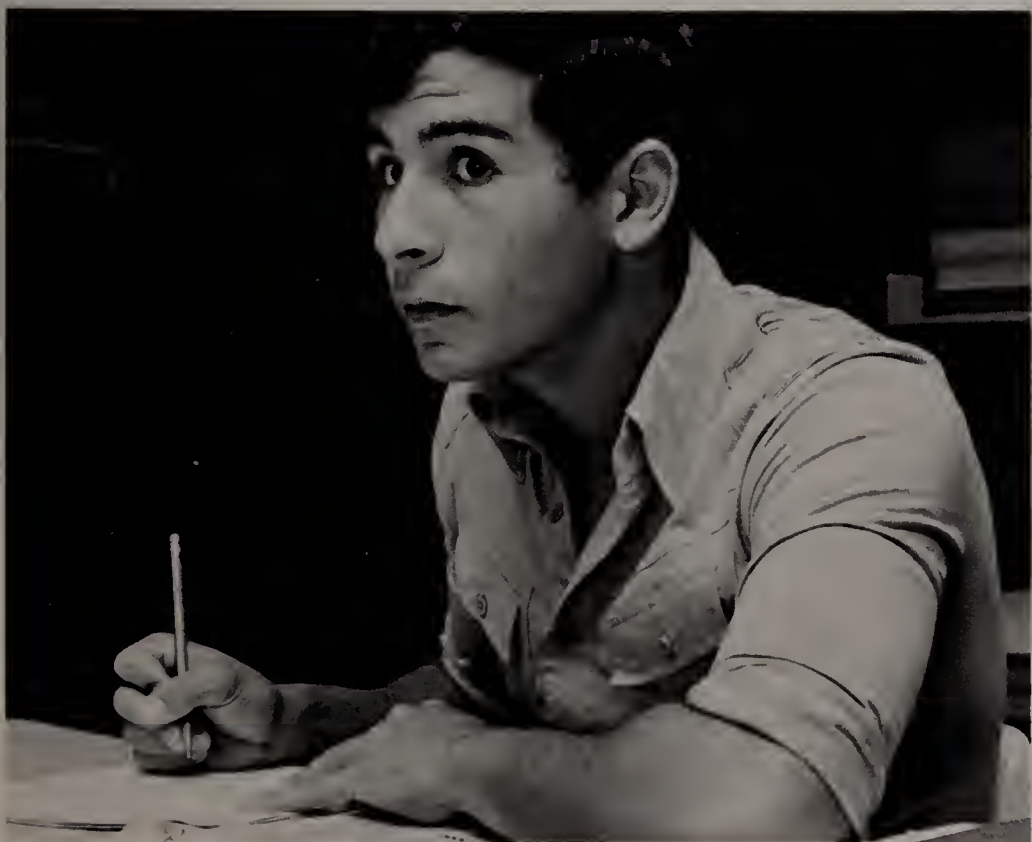

Friends are the walking sticks  
upon which we lean.

Life's ways aren't meant to be smooth.  
It has purposely cast rocks onto our path  
so that we may learn to overcome.

One cannot step twice onto the same path  
because it is not the same now  
as it was a moment ago.  
Heraclitus

Merry Christmas

## Speaking of Speech...

Cindy Fontaine  
Squire Staff

In the last five years, there has not been a speech course offered at North Andover High for lack of a teacher. This year, however, Miss Anne Armitage is taking charge of the semester course which instructs students in using speech in formal and informal situations. The subject matter ranges from job interviews to giving a public speech. "If you're in command of your subject and know your material and how to present it, you'll do well," Miss Armitage commented.

She believes that it would be helpful for most students to take the course, though not for all. "There are some people who get absolutely paralyzed in front of a group," Miss Armitage explained. In which case it would be "an ordeal instead of a help," she added.

## "Iron Horse" Rocks On

Debbie Hughes  
Squire Staff

It seems that at NAHS sports players get all the publicity, but when it comes to musicians--they're hardly even noticed. In particular, I'm talking about musicians in the rock band "Iron Horse". The band consists of four students presently attending NAHS and a NA graduate of 1973. "Iron Horse" is a four piece band featuring Eric Fitzgerald and Jimmy Shaloup on lead guitar. Eric Nolin does a fine job on his 10-piece drum set and John Shaloup is a master on bass. The band puts out a lot of energy on stage which is very evident by the performance of lead vocalist Jack Crane. The energy put out by the band's live performance is something to be felt, and their stage performance and dynamic light show is something to be seen. The band plays a variety of new wave and old time rock and roll. Though they play very few middle tunes and no disco at all, rock and roll is just as easy to get in to. Though the band is still young they have had some stage experience. Along with playing at NAHS they have played other places such as Merrimack College and the Koa Tiki Lounge, in Salisbury.

Miss Anne Armitage's speech class seems to have caught right on. Students who are in the class enjoy the pretended job interviews, one-on-one discussions and individual presentations.

Christmas is right around the corner, and the Squire wishes you very happy holidays!!
